When Mel fell in love with Ryan 'Hoff' Hoffman, a dedicated young player with the NRL's Melbourne Storm, she had no idea what she was getting into. But she soon learned that marrying a professional sportsman means marrying a whole team of players, their managers, fans, wives and girlfriends. She also learned that the rules of the game extended far beyond the field, and as part of the rugby league 'family', she would be expected to fall into line.

No. 104-117 contain also the Regents bulletins.

This book on personal financial planning and wealth management employs the lifecycle model of financial economics. The central idea of 'consumption smoothing' is used to connect chapters and topics such as saving and investment, debt management, risk management and retirement planning. The first part of the book is nontechnical and aimed at a wide audience with no special technical background. The second part of the book provides a rigorous presentation of the lifecycle model from first principles using the calculus of variations.
